

Privacy Policy

Effective: August 27, 2025

Aatma.bot respects your privacy. We collect only the information needed to provide and improve our services, including your contact info and usage data. We do **not sell** your data. Data may be shared with trusted partners or as required by law. We protect your information with standard security measures.

Your Rights: You can access, correct, or delete your data and opt out of marketing communications. Our services are not for children under 13.
